

GENERAL

WHAT IS THE YOUNG SOCIAL ENTREPRENEURS (YSE) GLOBAL?

The Young Social Entrepreneurs (YSE) Global is a six-month programme that inspires, equips, and enables youth of different nationalities to scale up their social enterprises in Singapore and beyond.

Mentorship is a key component of the YSE Global. Our dedicated mentors are leaders in their professions, who provide guidance and strategic counsel for YSE Global participants to achieve their social entrepreneurial goals.

HOW DO MENTORS PROVIDE SUPPORT?

The YSE Global spans six months, comprising the following components: online workshop, four-month remote mentorship, monthly capacity building sessions and *Pitching for Change* where up to 6 teams can receive grant funding of up to S\$20,000 to develop their social enterprise.

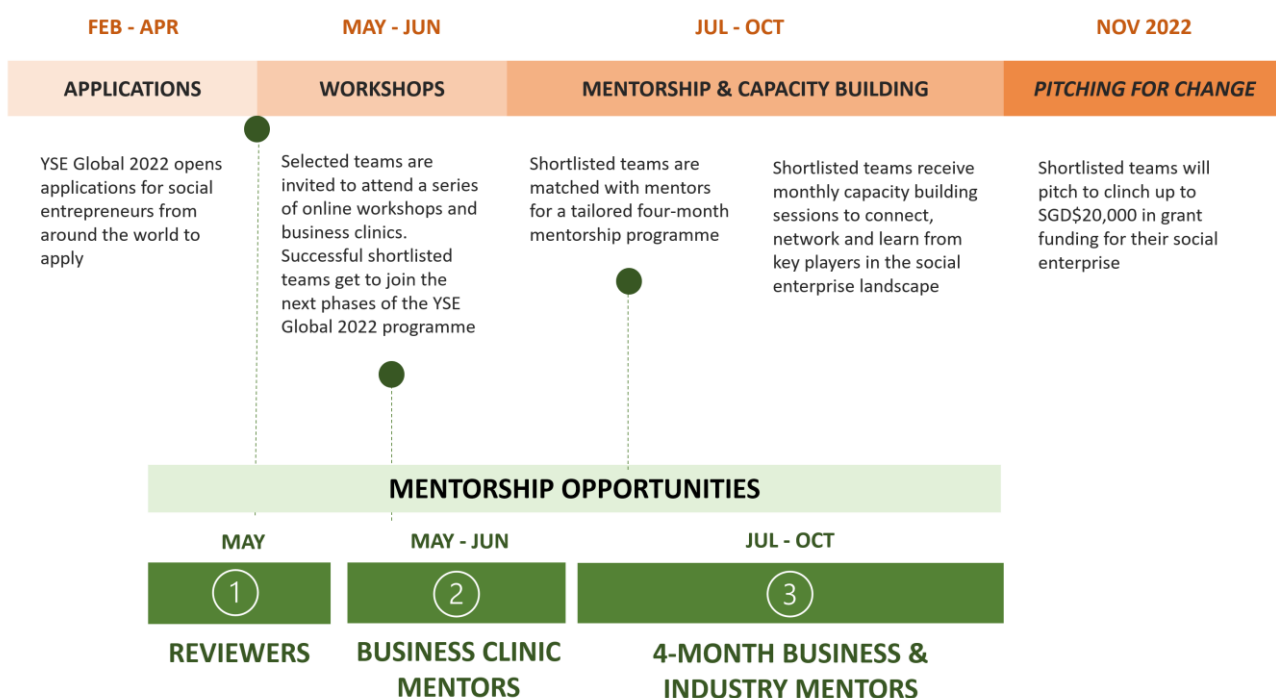

Mentors can lend support to the YSE Global programme at any one of **three key junctures**: (i) as reviewers of business plans during the selection of participants; (ii) business clinic mentors at the online workshop; and (iii) 4-month business & industry mentors.

HOW MUCH TIME COMMITMENT IS REQUIRED?

Reviewers: 4 to 6 hours in May

Business Clinic Mentors: At least 4 hours, between May to June

4-Month Business & Industry Mentors: 2 to 4 hours monthly, for 4 months, from July to October
